Dear _____,

This competitive cheer leading season, the WCC Cheer Program is participating in an "Adopt-A-Team" Fund Raising MEGAPHONE DISPLAY Program. To subsidize the various costs of "_____", members are asking for sponsorship of our teams in the form of a donation to our program. Each donor will receive a paw that they label, as described, and it is displayed with pride on our donor board to be announced on the team Facebook and Instagram pages. What better a way to advertise your name/business, than by having a child proudly bear it on her spirit team megaphone donor board?!

This sponsorship can cut the cost of activities that members participate in, resulting in lower fees to our membership and a variety of additional activities that they would have not had the chance to participate in, if not for our generous sponsors! On many occasions it also assists in activity scholarships (hardship and /or achievement) to some of our members who may not have the means to participate in this program despite their talents and motivation.

All cheerleaders are encouraged to bring in any sponsorship above and beyond the required \$5.00 per megaphone suggested cost. It is to each member's advantage to get as many sponsors as she can! Each member is working towards the same team goal!

I am confident that your generosity will help the WCC Cheer Teams' members bring many trophies home from the variety of events they will participate in this season, therefore putting a smile on a young member's spirited face! It will also increase the communities pride in their children as well as the self-esteem of these fine young ladies who are working so very hard together at reaching incredible team goals!

We thank you, appreciate your generosity, and look forward to proudly "showing off our sponsors" who were so kind in helping us reach these goals during this competitive cheer season!

Very Truly Yours,
